Learning Pathways to the Future

Student Resource Scheme

2025

What is the Student Resource Scheme?

In accordance with the Education (General Provisions) Act 2006, the cost of providing instruction, administration and facilities for the education of students enrolled at State Schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State, which means there is no cost to the parent/caregiver.

Parents/caregivers however are directly responsible for providing textbooks and other resources for their children, while attending school. In recognition that these costs can be high, Upper Coomera State College provides an optional service to assist parents/caregivers with the cost of these educational resources, known as a Student Resource Scheme (SRS).

The purpose of this document is to outline the required resources for each year level. Indicative retail prices are also included to assist parent/caregivers in making an informed choice, should they be considering *not participating* in the Scheme.

The scheme is designed to offset the cost to you of the provision of educational resources associated with your child's education. These resources enhance your child's educational experience and assist them to fully engage with the curriculum.

The operation of the Student Resource Scheme is discussed annually at a meeting of the Parents and Citizens' Association. Parents are extended an invitation to attend this meeting and provided with an opportunity to express their opinions. A vote is taken at this meeting on supporting the operation of the scheme. The Scheme's operation, resource inclusions and participation fees were approved by the College's Parents and Citizens' Association at the meeting held on 12 August 2024.

Participation in the scheme is voluntary, and there is no obligation on a parent to participate in the scheme. A parent or caregiver's decision to participate or not is based on consideration of the value afforded to them by the scheme. A parent or caregiver who chooses not to participate in the scheme is responsible for providing the student with all items that would otherwise be provided to the student by the scheme as detailed on the Year Level Requirements Lists to enable the student to engage with the College's curriculum.

Please note that if you choose not to participate in the Scheme, you are still required to complete and return the Participation Agreement Form, indicating your preference.

The Scheme is **not** used to raise funds for other purposes, and revenue collected through the Scheme is applied only to the resources and operation of the Scheme.

All resources included in the SRS are detailed in this document. These Resource Lists are also available on the College's website:

<https://uppercoomerasc.eq.edu.au/enrolments/EnrollingAtOurSchool/Pages/student-resource-scheme>

SRS in 2025

The Scheme continues to provide outstanding value for money as the College purchases in bulk to secure the best prices, which in turn, enables the SRS Fees to be kept as low as possible. Participation in the Scheme provides access to textbooks, resources, various IT devices (e.g., access to iPads), and continues to include all stationery items that students require for their learning at school.

The inclusion of stationery items in the Scheme has saved families a significant amount of time, money and effort in sourcing the prescribed materials elsewhere. In the past, parents were expected to purchase stationery items separately. This means that participants of the scheme **WILL NOT** be required to purchase books from suppliers, or arrange their own stationery via external suppliers.

All stationery items will be the responsibility of each student, and the College will provide sufficient supplies for the full school year. However, if items are misplaced, it will be the parent or caregiver's responsibility to provide replacements.

Participation in the College Student Resource Scheme is strongly encouraged as it ensures **ALL** stationery, resources and subscriptions required for learning throughout the year are available to your student. With the cost of living increasing over the past 12 months, we are aware of the pressure this puts on families. We are happy to advise there will be no change to the price of our fees from 2024 to 2025, as outlined below:

YEAR LEVEL	2025 SRS FEES
PREP	\$225.00
YR 01	\$250.00
YR 02	\$250.00
YR 03	\$250.00

YR 09	\$340.00
YR 10	\$340.00
YR 11	\$340.00
YR 12	\$340.00

All SRS resources will be made available to participating students from the first day of Term 1, 2025, provided the **first instalment of \$110 per student (Prep-Year 6) and \$140 per student (Years 7- 12) has been made by 28 November 2024** (or on a viable payment plan arranged with the Finance Department).

Payment of the participation fee is a requirement for continued participation in the scheme. An unpaid fee will be subject to the school's debt collection processes. Students may **not** be permitted to participate in optional school activities or have access to resources provided by the Scheme, if payment arrangements fall into arrears.

Should a family choose not to participate in the SRS, the parent/caregiver is responsible for purchasing and providing those resources for their child whilst they are a student at Upper Coomera State College, to enable the student to engage with the College's curriculum.

A parent wishing to participate in the Student Resource Scheme and experiencing financial hardship is encouraged to contact the Finance Office to discuss how their financial obligations can be met throughout the school year, or to negotiate alternative arrangements that may be available to accommodate their individual circumstances. Centrelink deduction is a payment option offered by the College. All discussions will be held in the strictest confidence.

Parents and caregivers are reminded that participation or non-participation in the Scheme will continue as per their previously completed Participation Agreement Form. A parent or caregiver can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

We trust that the information provided in this document affords parents/caregivers the opportunity to make an informed choice that best meets the needs of their family.

* Subject Fees are additional charges only applicable in Years 9 to 12. Subject Fees for each student will be determined following acceptance into subjects and invoiced separately. Subject Fees Instalment dates are 50% on 28/11/2024 and 50% on 13/02/2025.

* Enrolments taken later in the year will be calculated pro-rata.

* If a student leaves the College during the school year, a pro-rata refund will be made on the basis of a 40-week year.

Return of the Participation Form

For new students to the College, parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. If no participation form is received by the first instalment date above, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year.

For continuing students, a parent or caregiver's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form.

A parent or caregiver can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

Please note that if you choose not to participate in the Scheme, you are still required to complete and return the Participation Agreement Form, indicating your preference.
