

10 November 2022

Dear 2022 Year 5 parents and carers,

Students in Year 6 attending Upper Coomera State College will be expected to have a personal iPad to be used at school as part of their educational instruction from the commencement of 2023.

As many families already have a suitable iPad at home, the program encourages families to have their child bring their existing device instead of purchasing a new one, as long as it meets the minimum requirements.

The attached document clearly outlines all the information you require for the Year 6 BYO iPad program. Please ensure you complete the BYOD Participants Agreement (last page) and return to your child's classroom teacher by Friday 25 November.

Yours sincerely,

Carly Jones  
Primary School Principal
