Dear Parents and Caregivers,

Yesterday, our Premier Anastacia Palaszczuk announced a graduated return to school for students in Prep, Year 1 and Years 11 & 12. We are very much looking forward to welcoming our student's back to the College. Children of essential workers and vulnerable children will continue to be able to attend school for supervision.

**THE RETURN DATE FOR PREP, YEAR 1 AND YEARS 11 & 12 IS:  
MONDAY MAY 11, WEEK 4.**

Our Junior and Secondary leadership teams will be meeting regularly this week to ensure that the return to school, for these students, is as seamless as possible.

We do understand that for some families that have students across P-12 may find this difficult to navigate with some students learning at school, and from home. However, the decision by our Government, to return Prep, Year 1, and Years 11 and 12 back to school is an important next step towards returning to our regular school routines.

As a College we will continue to do our very best to support our families during this time. We are very excited to have all of our students back as one, learning, laughing and enjoying their education.

Yours sincerely,

Noel Rawlins  
College Principal
