

TERM 1 CURRICULUM OVERVIEW - YEAR 2 2026 -

ENGLISH

Recount

In this unit, students read, view and listen to a range of narrative texts to comprehend, how ideas are presented through characters and events and are presented through a well-structured oral recount.

HASS

Present Connections to Places

In this unit, during the semester, students are learning about how they are connected to spaces and places in their local community, their state, and country.

MATHEMATICS

Number, Space, Statistics

Students further develop proficiency and positive dispositions towards mathematics and its use as they:

- use physical and virtual materials to represent numbers, partition and combine numbers flexibly, recognising and describing the relationship between addition and subtraction and employing part-part-whole reasoning and relational thinking to solve additive problems
- locate and identify positions on familiar two-dimensional representations, such as maps; and use familiar mathematical language to describe relative position and follow directions and pathways

SCIENCE

Sounds

In this unit students are learning about how different sounds can be produced and the effects of sound energy on objects.
