

TERM 1 CURRICULUM OVERVIEW - YEAR 6 2025 -

ENGLISH

Narrative Adaptation

In this unit students listen to and read short stories by Jackie French. They investigate the ways the author uses text structure, language features and strategies to create the story. They create an imaginative adaptation of one of Jackie French's Natural Disaster picture books.

SCIENCE

Our Changing World

In this unit, students explore how sudden geological changes and extreme weather events can affect Earth's surface. They consider the effects of earthquakes and volcanoes on Earth's surface and how communities are affected by these events. They gather, record and interpret data relating to weather and weather events. Students explore the ways in which scientists are assisted by the observations of people from other cultures, including those throughout Asia.

HASS

Australia in the Past

In this unit students explain the significance of key people, events, institutions and processes to the development of the Australian nation.

UCSC AIP PRIORITIES 2025

MATHEMATICS

Number, Space, Probability

Students further develop proficiency and positive dispositions towards mathematics and its use as they:

- expand the repertoire of numbers to include rational numbers and the use of integers in practical contexts
- build fluency of understanding to solve arithmetic problems involving all four operations with natural numbers
- use combinations of transformations to create tessellating patterns
- recognise that probabilities of an event can be described and compared numerically
- observe and compare long-run frequencies in repeated chance experiments and simulations.
