OR MacBooks

Any MacBook able to run MAC OS 11 Big Sur or later. It is recommended to buy / bring a newer device. The bare minimum for MacBooks will not be supported as long as a newer device exists because Apple stops supporting older devices once a model is superseded. As a result older MacBook devices will become unsupported and unable to connect to the school Wi-Fi network.

Here is a list of the minimum devices - Note anything newer than this is also supported.

- MacBook (Retina, 12-inch, Early 2015)
- MacBook Air (11-inch, Mid 2013)
- MacBook Pro (Retina, 13-inch, Late 2013)

Years 3 to 6

IPAD Minimum Specifications

Any iPad that is not an iPad MINI and can support iPad OS 14 or later. It is recommended to buy / bring a newer device. As the bare minimum for iPads will not be supported for as long as a newer device. As apple stops supporting older devices. As a result it will become unsupported and unable to connect to the school Wi-Fi.

Here is a list of the minimum specifications for iPad devices - Note anything newer than this is also supported.
