

# TERM 2 CURRICULUM OVERVIEW - YEAR 5 2023 -

## ENGLISH

### Examining Media Texts

In this unit, the focus will be:

- listen to, read, view and interpret a range of news articles and reports from journals and newspapers to respond to viewpoints portrayed in media texts.
- apply comprehension strategies, focusing on particular viewpoints portrayed in a range of media texts. They create a digital, multimodal feature article, including written and visual elements, from a particular viewpoint.

*During our year level literacy block, students will participate in four weekly sessions of daily reading, including required intervention, PLD Spelling and dictation.*

## SCIENCE

### Our place in the Solar System

In this unit, the focus will be:

- describe the key features of our solar system including planets and stars
- discuss scientific developments that have affected people's lives and describe details of contributions to our knowledge of the solar system from a range of people.
- pose questions and plan and conduct investigations to answer questions and solve problems.
- Communicate their ideas in a variety of multimodal texts including recording in data sheets and as a report for popular media.

## HASS

### Managing Australian Communities

In this unit, the focus will be:

- investigate the characteristics of places and use evidence to draw conclusions about a preferred place to live.
- identify and describe the interconnections between people and the human and environmental characteristics of places, and between components of environments. They identify the effects of these interconnections on the characteristics of places and environments.

## SPECIALIST LESSONS

- HPE
- Music
- Dance
- Digital Technologies

## MATHEMATICS

### Data and Apply Shape, angle and transformations

In this unit, the focus will be:

- connect three-dimensional objects with their nets and other two-dimensional representations
- describe translations, reflections and rotations of two-dimensional shapes
- identify line and rotational symmetries
- estimate, measure and compare angle using degrees, construct angles using a protractor

## SPECIAL EVENTS

- School Term: April 17 – June 23
- ANZAC Day Holiday – April 25
- Y4 – 6 Swimming – April 24, 26 & 28
- Labor Day Holiday – May 1
- Interschool Sports – May 9
- Y5 Camp Finance Due – May 11
- Life Education – May 22 – June 5
- Y5 Camp – June 5 - 7
- Y4 – 6 Athletics Carnival – June 8

## UCSC CLASS SOUNDS

### Primary School

- 8:35am – Welcome Music (signifies that learning will begin)
- 8:40am – School Commences
- 2:40pm – End of day
