

# TERM 2 CURRICULUM OVERVIEW - YEAR 6 2023 -

## ENGLISH

### Exploring News Reports in the Media

In this unit, the focus will be:

- to evaluate the use of language in a news report (interview transcript) that influences the audience to accept a particular point of view about a topic.
- to analyse and explain how language features and vocabulary are used to represent ideas and events.

*During our year level literacy block, students will participate in four weekly sessions of daily reading, including required intervention, PLD Spelling and dictation.*

## HASS

### Australians as Global Citizens

In this unit, the focus will be:

- explain the importance of people, institutions and processes to Australia's democracy and legal system.
- describe the rights and responsibilities of Australian citizens and the obligations they may have as global citizens.

## MATHEMATICS

### Measurement

In this unit, the focus will be:

- connect volume and capacity and their units of measurement.
- construct simple prisms and pyramids.
- solve problems involving the comparison of lengths and areas using appropriate units.
- explore the use of brackets and order of operations to write number sentences.

## SCIENCE

### Electricity and Energy

In this unit, the focus will be:

- to analyse requirements for the transfer of electricity and describe how energy can be transformed from one form to another when generating electricity.
