

UCSC CHAPLAINCY SPONSORSHIP PACKAGES

SU QLD chaplains, or 'chappies', provide spiritual and emotional support to school communities. They are in the **prevention and support business**: helping students find a better way to deal with issues ranging from family breakdown and loneliness, to drug abuse, depression and anxiety. They provide a **listening ear and a caring presence for kids in crisis**, and those who just need a friend. They also provide support for staff and parents in school communities.

The federally funded National School Chaplaincy Program provides a contribution towards the costs of a chaplaincy service, however does not cover the full cost. To ensure local chaplaincy services remain sustainable, local community support is vital. SU QLD supports the initiative by appointing, training and equipping school chaplains.

Your support can help keep chappies in schools... and continue to *bring hope to a young generation*. By supporting Upper Coomera State College Chaplaincy you are also offered the unique opportunity to reach a local audience of over 2200 students and a further 1000 parents and family members, enhancing your brand image by positively contributing to the wellbeing of your local community.
